1. NAME

1.1.

The Club shall be known as the Oxford University Rifle Club or the OURC.

2. OBJECTIVES

2.1.

The Club's objectives are the support, development, improvement and promotion of target

rifle shooting in the University of Oxford. Specifically, the Club exists:

(i) to train people of all abilities in the safe use of rifles of both small-bore and full-bore

calibre;

(ii) to represent the University in matches against the Cambridge University Rifle

Association, the Cambridge University Small Bore Club, and other clubs;

(iii) to promote competition by means including the giving of prizes.

2.2.

The income and property of the Club shall be applied solely to these objectives.

3. AFFILIATION

3.1. The Club shall be affiliated to the National Rifle Association of Great Britain (NRA) and the National Smallbore Rifle Association (NSRA) and be registered or affiliated as appropriate and where eligible to any additional national governing bodies for the disciplines practiced by the Club.

3.2. The Club may be affiliated to any other associations where such affiliation is in the interest of the Club, as determined by the Committee.

4. INDEMNITY

4.1. So far as may be permitted by law, all Officers of the Club shall be insured against any liability which may be legally incurred as a result of negligence, default, breach of duty or breach of trust in relation to or in connection with the execution of their duties. The Club and all members shall be insured against public liability, personal accident and legal costs. All significant items of Club property, as determined by the Committee, shall be insured against fire and theft.

4.2. The Club shall purchase appropriate insurance cover through a national governing body where available as well as any additional policies that may be necessary to provide the required level of cover.

5. COMPLIANCE

5.1. As a Home Office approved Rifle Club, the Club and all members and officers shall at all times comply with any relevant legislation and observe all guidelines, requirements and rules issued by the Home Office, the Secretary of State and Thames Valley Police in relation to Club activities, except where a specific exemption has been granted by the Secretary of State. In the case of any conflict, this requirement shall override any other requirements or

guidelines imposed by any other body, including the University, the Sports Federation and the Men's and Women's Blues Committees.

5.2. The Club and all members and officers shall comply with all safety procedures prescribed or recommended by the national governing bodies for the disciplines practiced by the club, except where this requirement conflicts with paragraph 5.1 above.

5.3. The Club and all members and officers shall comply with any relevant requirements issued by the Proctors and the Sports Federation, except where such a requirement conflicts with paragraph 5.1 above and paragraph 5.2 above. Specifically, these requirements shall include the following:

(i) The Club shall be administered in accordance with the regulations for University clubs which are published from time to time in the Proctors' and Assessor's Memorandum ("the Proctors' Memorandum"). At the time of the adoption of this Constitution the Club is designated by the Proctors as a recognised sport. In relation to the Club's "Blues" status and issues surrounding the award of Blues and half Blues, the Club shall also abide by the regulations of the Men's and Women's Blues Committees of the University's Sports Federation.

(ii) The Club shall ensure that all paid Club administrative and coaching appointments are ratified by the University's Sports Strategy Committee; that all coaches are registered with any relevant national governing body; and that all paid coaches are accredited by such body.

(iii) The Club shall observe the Code of Conduct on Safety Matters, ensure compliance with the Code by the members of the Club, and follow an appropriate procedure for risk assessment. Both the Code of Conduct and the procedure for risk

assessment must

be acceptable to the Area Safety Officer (Sport) (“the Safety Officer”).

If and for so

long as the Club is responsible for organising an inter-college competition, the Code

of Conduct shall include guidelines and appropriate risk assessments for that

competition.

(iv) Not less than 21 days before any event or competition which is approved or advertised

by the Club as an official event of the Club (other than events already included in the

approved Code of Conduct of Safety Matters and procedure for risk assessment) the

Club shall submit to the Proctors an event plan and risk assessment, together with

documentary evidence of appropriate insurance cover. The Club shall observe such

conditions as the Proctors may then attach to the running of the event.

(v)

No member of the Club shall participate in any activity overseas organised by the

Club, whether during term-time or vacation, unless the plans for such activity have

been notified at least one calendar month in advance of the date of departure from the

United Kingdom to the Director of Sport. Each member participating in such activities

overseas shall observe any conditions imposed by the Proctors on the recommendation

of the Director of Sport, e.g. relating to the deposit of contact addresses, fulfilment of

health, safety and insurance requirements, and stipulation of coaches, trainers or

Senior Members to accompany the trip.

(vi) The Club may apply to Oxford University Computing Services (‘OUCS’) to use

information technology (‘IT’) facilities in the name of the Club. Where relevant

facilities are allocated by OUCS it is the responsibility of the Club:

(1) to designate a member of the Club entitled to a University e
